NEWS RELEASE

Stearns County will be starting a road project on County Road 145 just west of the Clearwater River near Clearwater starting Monday July 22, 2024. A turn lane for 200th Street and a turn lane for 197th Street will be constructed first. After these two right turn lanes are built, County Road 145 will be resurfaced from the Clear Water River to CSAH 44.

Temporary lane closures will be in place during the turn lane construction. The general contractor for this project is Knife River Corporation of Sauk Rapids. The planned substantial completion date for this project is late September 2024. **Dates and timeframes are weather dependent.**

Local area motorists are advised to use caution while traveling through the work zone and expect delays. All other motorists are asked to avoid the construction area if possible.

Questions or concerns may be directed to the Stearns County Highway Department.
