

AGRICULTURAL ZONE RESTRICTION

A person shall not operate an all-terrain vehicle within the public road right-of-way of a trunk, county state-aid, or county highway from April 1 to August 1 in the agricultural zone unless the vehicle is being used exclusively as transportation to and from work on agricultural lands.

Class 2 ATVs cannot be operated in ditches unless it's only to access businesses or to make trail connections.

The Minnesota agricultural zone is the area lying south and west of a line formed by the following highway rights-of-way: starting at the North Dakota border, the line goes east along U.S. Highway 10 to State Highway 23, then follows Highway 23 east to State Highway 95 to the Wisconsin border. The agricultural zone does not include the rights-of-way of these boundary highways, and applies only to Class 1 ATV use.
