## Working Together for a cleaner Right of Way

June 19th, 2023

TOWNSHIP OF LYNDEN  
20517 WOODBINE RD  
CLEARWATER MN 55320

Dear Stearns Electric Members/Landowners:

This letter is to inform you that Stearns Electric has contracted Central Applicators, Inc. to maintain and control the re-growth of brush and trees along Stearns Electric right of ways during the summer of 2024.

Central Applicators, Inc. will be applying brush control herbicides along Stearns Electric right of ways where there is unwanted re-growth. The EPA approved herbicide that will be applied is scientifically designed to work on enzymes in plants only. Even though there may not be any brush along your property, we are notifying everyone in the area that Stearns Electric has chosen to treat in 2024. **We will treat only the brush and trees that may in the future interfere with the power lines and possibly cause an outage because of contact with the conductors. We will be doing a selective spot treatment only,** which consists of treating each plant individually, insuring minimal usage and maximum control. **We do not treat near gardens or mowed areas.** We will use only our best judgment when working near your property. This is being done to help maintain a cleaner right of way, which will pay off in the long run with less outages and easier accessibility for Stearns Electric personnel when it becomes necessary for power line repair.

**IMPORTANT: this will be your only notice.** If you have any questions or concerns, please call the number listed below by **July 3rd, 2024**. If you do not respond by the due date, we will proceed with the necessary work along the utility easement on/near your property.

Important: IF THIS IS NOT YOUR PROPERTY PLEASE CALL AS SOON AS POSSIBLE, SO WE CAN MAKE THE PROPER CORRECTIONS.

**Business Hours: Monday-Thursday 8 a.m. to 5 p.m. You can e-mail your response to: [trudia@centralapplicators.com](mailto:trudia@centralapplicators.com) please include your Name, address, and Parcel ID number THIS IS THE PREFERRED METHOD OF CONTACT.** Or you can call 320-968-8076 Trudi will be glad to assist you.
